TuffSkin Manufacturer's Limited Warranty

TuffSkin is a surface protection system designed to maintain the beautiful look of calcium-based stones and other smooth counter top surfaces. It will require replacing in time. Longevity is directly related to use and wear and tear. Domestic installation will last approx. 5-7 years. Commercial 1-5 years. These are estimates not warranties.

TuffSkin Surface Protection LLC, warranties **TuffSkin** products for up to 2 years for domestic and 1 year for commercial use, from the date of installation, when installed by an authorised, certified **TuffSkin** installer.

TuffSkin is warranted to protect approved surfaces from all chemical acid and alkaline etching; including staining from wine, soda, fruit juices, and other liquids. It will maintain its distortion free appearance without discoloration. Protected surfaces will not stain or etch for as long as **TuffSkin** product is installed on surface.

TuffSkin is warranted not to blister, bubble or delaminate from the protected approved surface. **TuffSkin** interactive adhesive system and proprietary installation system does not peel. Warranty does not cover intentional peeling of product.

TuffSkin scratch-resistant coating is designed to resist normal surface abrasions. However, this warranty is null and void if the product is subjected to improper care or abuse such as cutting or other acts of vandalism. (All products can be scratched including **TuffSkin**. Normal replacement times will be determined by the client's use and care.)

TuffSkin may be washed with everyday dish liquid and water solutions and best results use Rejuvenata, from The Marble Man. Abrasive type cleaning agents (powders, Gumption, Jif etc.) and bristle brushes, which would scratch the film, must NOT be used and will void the manufacture warranty. Synthetic sponges, squeegees, or soft cloths should be used with the cleaning solution. Using a microfiber towel is highly recommended. In the event the product is found to be defective under this warranty, **TuffSkin** Surface Protection LLC will remove the defective film and replace it with new **TuffSkin** at no charge. For jobs located outside current installer territories, the customer may be responsible for travel and lodging expenses.

Contact The Marble Man for claims or questions on 1300 627 626. Liability for loss or damage due to **TuffSkin** products is limited to the cost of the product applied. Keep your invoice and submit it with any warranty claims. This warranty is provided to the original purchaser and is non-transferable.
